### Project Title: Equal Rights Amendment (ERA) Website

I'd like to build this site as a long page, but have links at the top to bring you down to the correct section. I think there is plenty of content and photography to build out individual pages.

- **Home Page/Introduction** – Introduce basic point I want to get across about the ERA. What is it and why is it important to ratify?
- **Background & feminist split**
- **Ratifications & ratifications rescinded**
- **State Equal Rights Amendments**
- **Support the ERA**
- **Opposition**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
